Welcoming Sick Kids

JBDev is pleased to announce that the Hospital for Sick Children (SickKids) in Toronto, Canada, has chosen Express as its timekeeping system. SickKids is internally renowned as Canada's most research-intensive hospital, and the largest centre dedicated to improving children's health in the country through outstanding care, research and education.

New Look

Check out the new look of the website at www.jbdev.com. There you can view upcoming seminars, news & events, newsletters, and current company slicks. For your convenience PDF's of these slicks are available for download on our webpage. If you would like to add to our client quote's section please email us and we will be sure to add in your quote! Hope you enjoy the update to our site!

Check for Screen Protectors

Just a reminder that it is absolutely imperative that the screen protectors be kept on the clocks. They protect the touch panel and prevent worn areas on the clocks. If any clocks are missing the covers, you can purchase them from us. Please contact us if you need any purchased for your hospital.

Employee Profile

Lenard Bartha

We would like to welcome Lenard Bartha to JBDev. Len will be joining JBDev in December as a Software Engineer. He is originally from Romania, but has lived in the United States for the past 10 years. Lenard is currently living in Angwin with his wife Leticia and working on finishing his B.S. in Computer Science at Pacific Union College. We are looking forward to having Len on board!
